

FAMILY BUSINESS

Now what?

You are born again, Spirit filled & Water Baptised

God gave us a Family and a place to meet called "Church".

It is so important for your spiritual growth to regularly attend church.

Each service is tailored and designed with you in mind.

You can praise and worship God and you can learn things that you didn't know before. You will be challenged. You're going to be motivated. Church is where you will be inspired to go higher than you've gone, to live a life with Jesus with His purposes and plans for your life. You will come to understand why you're here on this earth: to serve, to give and to love.

Don't come occasionally to church. Don't just come when you feel like it. Make regular church attendance a priority and let it be a good habit that becomes a part of who you are. Nothing does more for your spiritual health than regularly being in church.

"Some people have gotten out of the habit of meeting for worship. But we must not do that. We should keep on encouraging each other, especially since you know that the day of the Lord's coming is getting closer". Hebrews 10:25

We are part of an amazing family. Every member is important. We all play a part having unique gifts to share. "And I will be a father to you, and you shall be sons and daughters to me, says the Lord Almighty". 2 Corinthians 6:18
