

# COME ON HOME

How can you be sure that you have been saved? A Christian is someone who believes in God and has asked Jesus Christ, the Son of God, to be their Lord and Saviour. Our loving Father gave us an invitation to “Come on Home”. Our real home is heaven where we will have eternal life.

“For God loved the world so much that he gave his only Son so that anyone who believes in him shall not perish but have eternal life.” John 3:16

You are not a Christian because you are perfect, because in this life we unfortunately will not be perfect. You are not a Christian because you go to church, although you should go to church. But you are a Christian because you accepted Jesus Christ to be your Lord and Saviour and have asked for forgiveness for your sins. If you have never done this do it now.

“There is salvation in no one else! Under all heaven there is no other name for men to call upon to save them.” Acts 4:12

Have you ever felt powerless unable to change your life he promises power to overcome the hurdles of life when we become part of His Family? He doesn't promise our lives to be without drama but he does say “I will never leave you or forsake you”. Hebrews 13:5b

## SUMMARY

### Salvation doesn't depend on us.

- Jesus bought our salvation when He died on the cross. Salvation is not dependent on our efforts. We can't undo our salvation or do anything to hinder God's love for us, because His love never ends. Ephesians 2:4-7

### Your new life is a series of steps.

- Following Jesus is about taking your next step. Salvation happens immediately, but following Jesus is a lifelong journey. Jesus has given you a new life, and our new selves are revealed over time. God isn't surprised when you mess up. He knows you will, and that's why He's saved you! God has given us His Spirit to walk with us and guide us as we take our next steps

### Salvation is all about Jesus.

- It's about who He is and what He has done for us.
